ARTHROPLASTY

ROME REVISION SHOULDER ARTHROPLASTY

Presidents

Ruth Delaney • Francesco Franceschi • Ashish Gupta

Scientific Committee

Angelo Baldari, Antonio Caldaria, Edoardo Giovannetti de Sanctis

<https://www.romerevisionshoulderarthroplasty.it/>

Università degli Studi Link Roma
Via del Casale di S. Pio V n. 44, Roma

Under the Patronage of

PROGRAMME

INTRODUCTION

Why do anatomic TSAs fail?

Why do RSAs fail?

Why do hemis fail?

How to Manage a Painful shoulder arthroplasty

Pre-operative Planning for Revision Arthroplasty: Imaging, Instruments & Implants (new software)

Minibattle

Primary Arthroplasty:

- Why I prefer PSI

- Navigation is the way forward

Extended Reality Technology (VR & MR) in Revision Shoulder Arthroplasty

Surgical Exposure in Revision Shoulder Arthroplasty

GLENOID

Classification of glenoid defects

The convertible glenoid in revision shoulder arthroplasty

Removal of a well fixed baseplate

Removal of well fixed cemented glenoid

Revising the glenoid in hemiarthroplasty

Minibattle

Dealing with glenoid bone loss - Bone vs Metal vs Cement vs Combined

When are custom implants needed?

How I treat:

Glenoid anterior wall defect

Glenoid posterior wall defect

Glenoid uncontained defect

Impossible defects: custom made implants

Intraoperative glenoid fracture: Management and Outcomes

HUMERUS

Classification of humeral bone loss

Stress Shielding and Bony Adaptations in Shoulder Arthroplasty

Convertible Humeral component in Revision Shoulder Arthroplasty

Removal of a cemented humeral stem

Humerus implant: cement in cement revision

Revision of a Failed Humeral Stem With Sufficient Bone Stock (< 4 cm)

Minibattle

Revision of The Failed Stem Without Sufficient Bone Stock (> 4 cm)

- Why I prefer APC

- Why I prefer tumor prosthesis

FRACTURE SEQUELAE

Restoring Humeral Anatomy in Fracture Sequelae

PERIPROSTHETIC FRACTURES

Removal of a cemented stem

Removal of a biologic/pressfit stem

Fractures around a long stem

Fractures around a short stem or stemless implant

INFECTION

How to diagnose an infection after Shoulder Replacement

Minibattle

Managing the Infected Arthroplasty:

1 vs 2 Stage

How to prevent Infection in Revision Shoulder Arthroplasty

MANAGEMENT OF FRACTURES AROUND THE SHOULDER

Glenoid and Coracoid (intra-op, post op)
Scapular Spine and Acromion Fractures

INSTABILITY

Defining Risk Factors for TSA & RSA Instability
Management of the unstable anatomic TSA
Management of the unstable RSA

OTHER

The Role of Arthroscopy after Shoulder Replacement
The Role of Resection and Hemiarthroplasty after RSA
The Role of Hemireverse in Revision Shoulder Arthroplasty
Shoulder Arthroplasty after Previous Instability Surgery

GENERAL INFORMATION

CONGRESS VENUE

Università degli Studi Link Roma, Via del Casale di S. Pio V n. 44 - 00165 Roma

REGISTRATION FEES

Rates are VAT included

| | |
|---|----------|
| Participant | € 350,00 |
| SECEC, ESSKA, National Societies enrolled Member | € 200,00 |
| Resident, Physical Therapist, Nurse | € 100,00 |

The registration fee includes:

- Access to scientific sessions and to the exhibition
- Congress kit
- Certificate of attendance

TERMS OF PAYMENT

Bank transfer addressed to BALESTRA S.R.L.

Banca di credito Cooperativo di Roma, Branch Office no 16

IBAN IT81R 08327 03207 0000 0000 6671

Credit card

payment on www.romerevisionshoulderarthroplasty.it, via Pay Pal.

REGISTRATION TOOL

Registration form must be completed online, it is available on www.romerevisionshoulderarthroplasty.it
Accepted payment methods available online. To complete online registration, it is mandatory to settle the payment via Pay Pal.
